

GUIDELINES FOR THE PCAARRD PANTAS and TANGLAW AWARDS

(Revised as of September 30, 2016)

General Guidelines:

1. The Pantas Award is open to individuals who have made outstanding contributions to the advancement of agriculture, aquatic, and natural resources research and development in the Philippines. There are two (2) categories for the PANTAS Award:
 - Outstanding Scientist/Researcher
 - Outstanding Research Administrator
2. The Pantas nominee may come from government agencies, RDIs, and HEIs. He or she must be connected, during the period of evaluation, with the National Agriculture, Aquatic and Natural Resources R&D System.
3. The Pantas nominee must be a Filipino citizen.
4. Past PCAARRD officials may be nominated after 5 years of separation from PCAARRD.
5. The Tanglaw Award is open to local institutions or agencies that have contributed significantly to the progress of agriculture, aquatic, and natural resources R&D in the country.
6. Nominees endorsed for two (2) consecutive awarding years prior to the current year of selection can still be considered for nomination. Previous winners, on the other hand, are qualified to join the search four (4) years after receiving the award
7. Nominations should be received by PCAARRD not later than the prescribed deadline of the current awarding year, using PCAARRD nomination forms.
8. Nominees coming from agencies that are members of the consortia shall be endorsed by the agency head and the RRDCC Chair. Nominees coming from the regions without consortia shall be duly endorsed by the respective head of the agency.
9. All nominees who/which garnered a score of 85% and above shall be ranked and the highest endorsed to the Governing Council (GC) for confirmation. There shall be one awardee for each category. A consensus among the GC members should be reached before the GC's confirmation.
10. The decision of the GC is final.

11. The Pantas and Tanglaw Awards shall be conferred during the PCAARRD Anniversary Celebration.

12. A trophy and cash prize shall be awarded as follows:

- a. PANTAS Award for Most Outstanding Researcher/Scientist
 - Trophy
 - **P300,000** cash prize
 - Research grant of **P2M**
- b. PANTAS Award for Most Outstanding Research Administrator
 - Trophy
 - **P300,000** cash prize
- c. TANGLAW Award for Most Outstanding Research Institution
 - Trophy
 - **P2M** grant for station development, capability building and upgrading of facilities

SPECIFIC GUIDELINES:

1. Requirements for the Award to be submitted in seven copies:
 - a. Nominations from the consortia should be endorsed by the Agency Head and the RRDCC Chair. Nominations from the region without consortia should be endorsed by the Agency Head.
 - b. Duly accomplished PCAARRD PANTAS and/or TANGLAW nomination form, to adhere to the following format:
 - Arial font, 12-point size
 - Printed in A4 size bond paper
 - Properly tabbed per section/criterion
 - c. Justification
 - d. Comprehensive bio-data (for PANTAS Award nominees)
 - e. Other supporting documents
2. The Internal Working Committee, composed of selected PCAARRD Division Directors, shall conduct the preliminary evaluation on the capability, performance, and accomplishments of the nominees based on the awards' guidelines and criteria. The short listed candidates, with scores of 85% and above, shall then be endorsed to the External Screening Committee for further evaluation.
3. The External Screening Committee, chaired by the PCAARRD Executive Director with members from private and government institutions and the academe from agriculture, aquatic, and natural resources sectors, will create a Field Evaluation Team to validate information on the Pantas and Tanglaw awards nominees.

4. The ESC shall endorse the highest ranking nominee, with score of at least 85%, to the GC for confirmation. A consensus among the GC members should be reached before the GC's confirmation.

Criteria:

PANTAS AWARD (Researcher/Scientist)

Criteria	Points
R&D findings generated with national impact (2013 to present)	
<ul style="list-style-type: none"> • R&D productivity and creativity 30pts <i>R&D findings must have potential to:</i> <ul style="list-style-type: none"> - Increase farm or firm output - Decrease cost of production - Produce new products and services <i>If R&D output meets 2 or more productivity enhancing factors (maximum of 30pts)</i> <i>If R&D output meets any of one of the productivity enhancing Factors (maximum of 20pts)</i> • Contribution to economy in support to agricultural modernization and natural resources management (explain in 250 words) 25 pts <i>If R&D output contributes to the PDP* Chapters -2 and 4 (maximum of 25pts)</i> <i>If R&D output contributes to any 2 chapters of the PDP*(maximum of 15 pts)</i> 	55
Published work for the past five years (2013 to present)	25
<ul style="list-style-type: none"> • Scientific Papers • Books and monographs • Editorship 	
Awards (international/national/institutional) (2013 to present)	10
Active participation/membership in S&T and civic organizations	10

PANTAS AWARD (Research Administrator)

Criteria	Points
Resources generated and mobilized for R&D for the past five years (2013 to present)	15
Agency output generated for the past five years (2013 to present)	30
Linkages forged through MOAs (2013 to present)	10
Trainings/workshops conducted/organized for the past five years (2013 to present)	5
Human resource development and management	10

Innovations and new systems/initiatives introduced that enhanced the effectiveness of the agency	20
Awards received as administrator (2013 to present)	5
Length of service as administrator	5

TANGLAW AWARD

Criteria	Points
Technologies developed/utilized; significant information gathered and applied	60
Financial resources generated for the past five years (2013 to present)	10
Capability Building	10
Other Accomplishments <ul style="list-style-type: none"> • <i>Institutional publications</i> • <i>Awards received for the past five years</i> • <i>Linkages forged</i> • <i>Projects implemented</i> 	20
