The Delivery terms of this Contract shall be as follows: The delivery terms applicable to this Contract are delivered to DOST-PCAARRD, Paseo De Valmayor, Brgy. Timugan, Los Baños Laguna. The packaging shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packaging case size and weights shall take into consideration, where appropriate, the remoteness of the Goods' final destination and the absence of heavy handling facilities at all points in transit. The packaging, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the Contract, including additional requirements, if any, specified below, and in any subsequent instructions ordered by the Procuring Entity. The outer packaging must be clearly marked on at least four (4) sides as follows: Name of the Procuring Entity Name of the Supplier Contract Description Final Destination Gross weight

If not practical the packaging list is to be placed inside the outer packaging but outside the secondary packaging. **Transportation –** Where the Supplier is required under Contract to deliver the Goods CIF, CIP, or DDP, transport of the Goods to the port of destination or such other named place of destination in the Philippines, as shall be specified in this Contract, shall be arranged and paid for by the Supplier, and the cost thereof shall be included in the Contract Price. Where the Supplier is required under this Contract to transport the Goods to a specified place of destination within the Philippines, defined as the Project Site, transport to such place of destination in the Philippines, including insurance and storage, as shall be specified in this Contract, shall be arranged by the Supplier, and related costs shall be included in the contract price.
	Where the Supplier is required under Contract to deliver the Goods CIF, CIP or DDP, Goods are to be transported on carriers of Philippine registry. In the event that no carrier of Philippine registry is available, Goods may be shipped by a carrier which is not of Philippine registry provided that the Supplier obtains and presents to the Procuring Entity certification to this effect from the nearest Philippine consulate to the port of dispatch. In the event that carriers of Philippine registry are available but their schedule delays the Supplier in its performance of this Contract the period from when the Goods were first ready for shipment and the actual date of shipment the period of delay will be considered force majeure. The Procuring Entity accepts no liability for the damage of Goods during transit other than those prescribed by INCOTERMS for DDP deliveries. In the case of Goods supplied from within the Philippines or supplied by domestic Suppliers risk and title will not be deemed to have passed to the Procuring Entity until their receipt and final acceptance at the final destination. **Intellectual Property Rights –** The Supplier shall indemnify the Procuring Entity against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the Goods or any part thereof.

DOST-PCAARRD Guidelines for the Electronic Submission and Receipt of Bids*

Preparation of bid proposals

a. All documents must be in PDF format and properly labelled.
b. The eligibility and technical components of bid will be saved in one folder with file name, "Technical Components."
c. Financial components of bid will be saved in another folder with file name, "Financial Components."

Use of a two-factor security procedure

a. Both folders must be compressed using 7-zip.
b. For consistency, bidders to choose ".zip" as the archive format and "AES-256" as the encryption method.
c. Bidder should set up a password for the compressed file.
d. The password for accessing the file will be disclosed by the bidder only during the actual bid opening, which may be done in person or face-to-face through videoconferencing, webcasting, or similar technology.
e. In case of failure to attend the actual bid opening, bidders may send the password in a separate email via schedule (delayed) send with the subject title, "Password (Bid Submission of <Name of Bidder>) - <Name of Project>" and indicate the password in the email body.
f. As a best practice, whether or not the bidder can attend the bid opening, bidders can send the password in a separate email via schedule (delayed) send with the same subject title. See FAQs.

Submission and receipt of bids

a. Bidders must send their bid proposals to bac@pcaarrd.dost.gov.ph at any time before the closing date and time indicated in the bidding documents. (Sending bid proposals using Gmail is preferred, but not required.)
b. For consistency, subject title of the email will be "Bid Submission of <Name of Bidder> - <Name of Project>."
c. Bidder will receive a bid receipt page for the official time of submission. This includes the link for the online meeting.
d. Late bids shall not be accepted.
e. Bidder can upload their proposals in Google Drive with the folder name "Bid Submission of <Name of Bidder> - <Name of Project>" if attachment size exceeds 25 MB:
    1. Bidder must follow procedure in *Preparation of bid proposals* and *Use of a two-factor security feature*.
    2. Bidder must create a folder in Google Drive.
    3. Bidder must upload the compressed and password-protected files in the folder.
    4. Bidder must send through email the link of the folder by following procedure a and b of *Submission and receipt of bids*.

Modification of bids

a. Should there be a need to modify submissions, the bidder shall send another bid to be labelled as "Modified." For consistency, subject title of the email will be: "Modified Bid Submission of <Name of Bidder> - <Name of Project>"
b. The bidder must follow the procedures mentioned above.
c. The time indicated upon receipt of the email with the modified bid proposal will be the official time of submission.
