DOST-PCAARRD Guidelines for the Electronic Submission and Receipt of Bids*

Preparation of bid proposals

a. All documents must be in PDF format and properly labelled.
b. The eligibility and technical components of bid will be saved in one folder with file name, "Technical Components."
c. Financial components of bid will be saved in another folder with file name, "Financial Components."

Use of a two-factor security procedure

a. Both folders must be compressed using 7-zip.
b. For consistency, bidders to choose ".zip" as the archive format and "AES-256" as the encryption method.
c. Bidder should set up a password for the compressed file.
d. The password for accessing the file will be disclosed by the bidder only during the actual bid opening, which may be done in person or face-to-face through videoconferencing, webcasting, or similar technology.
e. In case of failure to attend the actual bid opening, bidders may send the password in a separate email via schedule (delayed) send with the subject title, "Password (Bid Submission of <Name of Bidder>) - <Name of Project>" and indicate the password in the email body.
f. As a best practice, whether or not the bidder can attend the bid opening, bidders can send the password in a separate email via schedule (delayed) send with the same subject title. See FAQs.

Submission and receipt of bids

a. Bidders must send their bid proposals to bac@pcaarrd.dost.gov.ph at any time before the closing date and time indicated in the bidding documents. (Sending bid proposals using Gmail is preferred, but not required.)
b. For consistency, subject title of the email will be "Bid Submission of <Name of Bidder> - <Name of Project>."
c. Bidder will receive a bid receipt page for the official time of submission. This includes the link for the online meeting.
d. Late bids shall not be accepted.
e. Bidder can upload their proposals in Google Drive with the folder name "Bid Submission of <Name of Bidder> - <Name of Project>" if attachment size exceeds 25 MB:
    1. Bidder must follow procedure in *Preparation of bid proposals* and *Use of a two-factor security feature*.
    2. Bidder must create a folder in Google Drive.
    3. Bidder must upload the compressed and password-protected files in the folder.
    4. Bidder must send through email the link of the folder by following procedure a and b of *Submission and receipt of bids*.

Modification of bids

a. Should there be a need to modify submissions, the bidder shall send another bid to be labelled as "Modified." For consistency, subject title of the email will be: "Modified Bid Submission of <Name of Bidder> - <Name of Project>"
b. The bidder must follow the procedures mentioned above.
c. The time indicated upon receipt of the email with the modified bid proposal will be the official time of submission.
